

## TFA Nomad 900

The TFA Nomad™ outdoor rugged handheld computer has power and capabilities to help you do more in the field. The Nomad is extremely rugged, meeting rigorous MIL-STD-810F and IP67 standards for water and dust, yet is light and easy to carry. Featuring an 806 MHz processor, the Nomad also includes 128 MB of memory, a long-life 5200 mAh lithium-ion (Li-Ion) battery, a daylight-readable full VGA display, integrated Bluetooth, user-accessible CompactFlash (CF) and SDIO ports, plus I/O ports that include Serial boot or USB host/client and an audio jack.

All units come standard with Windows Mobile® 6 and are RoHS compliant. Choose between the 900B, 900L, 900LC, 900LE, 900X, 900XC, and 900XE models. Standard accessories include:

- SOLO Navigator
- 2Year Warranty
- AC charger
- Rechargeable Li-Ion battery module
- Package of two (2) screen protectors (ultra-clear)
- Stylus pen
- Stylus lanyard
- Hand strap
- USB data cable
- User's guide
- CD-ROM
